

BioBran International Workshop 2014

Session 1 BioBran; Potent Immunomodulator

Professionals from Japan, USA, and Europe report on the latest studies on the immunomodulatory activity of BioBran as it relates to their area of expertise.

Yuzo Endo, M.D., Ph.D.

Hamamatsu University School of Medicine (Japan)

- Immuno-modulatory effect of BioBran in medical intelligence

Mamdooh Ghoneum, Ph.D.

Drew University/ UCLA School of Medicine, Department of Neurobiology (USA)

- BioBran Update:
The role of BioBran in reducing the toxicity associated with chemotherapy and radiation

Rupert Handgretinger, M.D., Ph.D.

Children's University Hospital, University of Tübingen (Germany)

- The role of BioBran in NK-cell mediated anti-tumor treatment strategies in pediatric cancer

Session 2 Cancer and Immunity; New Clinical Reports

Reports on the latest research for novel clinical applications of BioBran in cancer treatment.

Dimiyati Achmad, M.D.

Hasan Sadikin General Hospital/Padjadjaran University, Faculty of Medicine (Indonesia)

- The role of BioBran as immunomodulatory in anthracycline based neo-ajyuvant chemotherapy in locally advanced breast cancer

Dana Choluřová, RNDr., Ph.D.
Cancer Research Institute (Slovakia)

- BioBran modulates innate immunity in multiple myeloma patients

Session 3 Panel Discussions; Worldwide Clinical Observations/ Doctors' Opinions

Medical Specialists from Japan, Australia, and Taiwan demonstrated clinical applications of BioBran for various treatment purposes. A panel discussion was presided over by Yuzo Endo, M.D., Ph.D. (Hamamatsu University School of Medicine, Japan) as chairperson, and five panelists discussed the potential effectiveness of BioBran.

Keisuke Meshitsuka, M.D. (Japan)
Director, Medical Corporation Keijin-Kai Ai Clinic

Shigeru Taira, M.D. (Japan)
President, Medical Corporation Hakuju-kai
Heartful Clinic of Integrative Medicine

Wei-Ta Cheng, M.D. (Taiwan)
Dr.Cheng's Pediatric Clinic

Garth Harris, BSc. (BioMed), Dip Nut, DBM (Australia)
Managing Director, Comprehensive Health Pty Ltd.
